(lu) – lupin (sd) – sulphur dioxide (a) - alcohol

Tea Menu

Everyday brew

Teapigs signature blend is an equivalent to a "builders' brew" - a gutsy Assam, a mellow Ceylon and a powerful Rwandan tea.

Earl grey strong

If you like your earl grey with oomph and wallop this is definitely the one for you.

Mao feng green tea

The ultimate green tea, pure and unadulterated, just as it should be - even those who say they don't like green tea enjoy this!

Darjeeling

A real fancy pants single estate tea - light, delicate and very posh.

Jasmine pearls

Pearls of hand rolled green tea tips which have been infused with pure jasmine flowers.

Chai

Our version of the Indian classic: a rich, malty Assam tea with cardamom pods, cinnamon, ginger and vanilla - India in a cup.

Tung ting oolong

This one's for the undecided - aromatic like a green tea with the strength of a black.

Chamomile flowers

The best chamomile tea, just the whole flowers to give a deliciously sweet and soothing flavour. Drink to calm and aid sleep.

Honeybush & rooibos

A blend of rooibos and honeybush tea from the Cederberg region of South Africa. Soothing.

Lemon & ginger

This all natural gingery, lemon brew will sweep you away to a hot summer's day. But also great for the cold and flu season.

Peppermint leaves

The whole leaf peppermint tea is mintier and fresher than any teabag mint you will have tasted before.

Super fruit

A hibiscus tea base with real pieces of elderberries, cranberries, blackcurrants and blueberries which deliver a punchy, fruity taste.
